Introduction

For our children to gain the greatest benefit from their education it is vital that they attend regularly on time, every day unless the reason for the absence is unavoidable. It is very important therefore that we help and support our children and young people to attend regularly, and this policy sets out how we will achieve this.

Why regular attendance is so important

Any absence affects the pattern of a young person's education and regular absence will seriously affect their learning and development.

Working together to improve school attendance

Improving attendance is everyone's business. Education 1st works to collaborate with school and local authority commissioners in meeting their responsibilities outlined in the [attendance guidance for maintained schools, academies, independent schools, and local authorities](#).

Promoting regular attendance

Helping to create a pattern of regular attendance is everybody's responsibility – parents/carers, young people, and all Education 1st staff. The importance of regular attendance will be discussed with parents/carers on admission.

To help us all to focus on this we will

- Give the main commissioning body, parents/carers and young people details on attendance.
- Challenge parents/carers and young people who give low priority to attendance and/or punctuality.
- Use early identification and intervention to address patterns of absence.
- Welfare calls and visits if attendance becomes concern.
- Ensure accurate and robust recording procedures for attendance and punctuality.
- Transport young people to and from home (collected by the mentor) to maximise the chances of excellent attendance.
- Offer an environment in which young people feel valued and welcomed but where absence/lateness is followed up and action taken.
- Work jointly with commissioning and external bodies to improve low attendance.
- Broken weeks and patterns of non-attendance will be monitored, and targets will be set to improve pupil attendance.

Safeguarding

Children and young people may be at risk of harm if they do not attend education regularly (KCSIE, 2024). Safeguarding the interests of each young person is everyone's responsibility and within the context of this education provision, promoting the welfare and life opportunities every child encompasses:-

- Attendance
- Behaviour Management
- Health and Safety
- Anti-bullying
- Failing to attend this provision on a regular basis will be considered as a safeguarding matter.

Absence Procedure

For parents/carers If your child is absent you must:

Telephone/text us as soon as possible on the first day of absence using

- 07341 564377 - Operations Director
- 07384 117216 - Operations Manager
- 07825 638691 - Operations Manager

If no reason is provided, this will result in unauthorised absence on the young person's record.

We call all parents/carers each morning the pupil is due to attend.

If a child or young person is absent the duty manager will

- Discuss the reason for absence with the parent/carer or young person.
- Contact the commissioning body and report on the day of absence. Commissioning bodies must follow their own procedures in line with guidance.
- At an appropriate time, discuss with the young person the reason for their absence if unauthorised or persistent.
- Set goals and strategies to enable better attendance.
- Where appropriate discuss absence if unauthorised or persistent with parents/ carers. Offer advice and support on enabling better attendance.

If you have a concern about attendance

- Raise an issue with an Operations Manager.
- Raise an issue with the Operations Director.

Holidays and Requests for Absence During School Term Time

For any pupil, parents/carers must contact the commissioning body for request for absence/holiday.

Monitoring

Attendance information is kept and monitored by the Attendance Lead who supports the Operations Manager/Operations Director to evaluate the data and decide whether any action needs to be taken.

Information taken into consideration includes individual pupil and whole cohort data relating to:

- Overall Attendance
- Overall Absence
- Persistent Absence (pupils missing 10% or more of sessions)
- Severe Absence (pupils missing 50% or more of sessions)

Education 1st staff will always assess the situation and inform the appropriate person with all the details of the young person absent from their provision.

If required for young people attending the provision, the Commissioning Body may commence more formal or legal proceedings in partnership with welfare services. These include:

[Working Together to Improve School Attendance](#)

Published guidance (August 2024) states that successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All partners should work together to:

EXPECT

Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

MONITOR

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

LISTEN AND UNDERSTAND

When a pattern is spotted, discuss with pupils and parents to listen to understand barriers to attendance and agree how all partners can work together to resolve them.

FACILITATE SUPPORT

Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

FORMALISE SUPPORT

Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.

ENFORCE

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention or prosecution to protect the pupil's right to an education.
